

Chairman's Update July 2024

Welcome and thank you for viewing our website.

We have had an enjoyable Season. I believe we have created a fun sporting environment, with the focus on enjoyment and a spirit of friendship and sportsmanship. This has been the club's ethos from the beginning and I shall endeavour to maintain this fantastic spirit. I would also note that the football skills and technical ability has also improved in many players and this has been shown in the recent friendly matches we have played with some local football teams.

We have entertained Eastbourne Borough (Spirit of Football), Hastings Utd and teams from the Bexhill & Hastings Walking Football Community. Please take a look at photos on this site to see the fun that was had on these occasions. We also recently attended our 1st Tournament in many years at Eastbourne Borough in Junior and Senior age groups and this was enjoyed by all.

Our recent presentation event was attended by Harold Lawrence (Club President) and Roger Batey (Chairman of club Trustees) who presented their new annual awards trophy (Sporting endeavour and spirit of sport). We are really privileged that they are both still very much involved with the club and give us great support.

Looking forward to the New Season 2024-2025. We shall continue to focus on our Saturday morning training sessions and shall look to invite local football teams to have friendly matches on a fairly regular basis.

A big thankyou to the continued support of coaches, committee members and volunteers and look forward to seeing you all with the players on Saturday, 7th September. Moving forward we will need new volunteers and coaches to join us to bring in fresh ideas and enthusiasm. Please come forward if you or people you know would be interested in joining this inspirational football club.

Paul Anderson – Chairman
